The 2 years I spent at Dedham High were the best. I have a lot of memories in this school from hockey to lax. Kelly field bangas/ Barton ducken. Days on the pond. Blue Park. Candy Mountain. The Pitts. Red Cross swamp. TB, PL., PC. Lil Gordo always causing chaos in the halls. Shout out to the crew. Cruises in lil blue. Shout out to my real boys, you know who you are. See ya never Dedham High.

Congratulations Class of 2014 and good luck to everyone next year!

My past two years at Dedham High contain some unreal memories. From causing chaos in the halls with the boys to the roadie out in the Vineyard. I would give anything to relive all of my high school years again being too young to get into serious trouble that would put a 21 year old jail. Hockey & Lac were unreal. We may not get too many W's but we would still take on any other team for a FACT. The goofy trends and sayings we would get going were ridiculous and would probably give any doctor a good reason to label us mentally unstable.

I'll be at Dedham Bangers 'til I'm 70. Turn down for what.

Its been a fun four years. I'd like to thank my parents for everything. To the boys, its been real. We had some interesting pasta parties and good times chillin'. Couldnt have survived without Chip, BK, and McD's. Playing sports was the best decision I made in high school. To the golf team; keep getting it in the hole boys. Our class was an interesting group of kids, but that's just how it should be and I wouldn't have wanted it any other way. - Gettlebug (Dewar is the Man!)

Through the past 4 years at Dedham High School, I've learned one important objective, and that is to be happy. Being happy is the key to living a good life. Do what you want without worrying about the satisfaction of others, because if you sit there trying to satisfy everyone else but yourself, when it all comes down to it, you will never be happy

Over the past four years at Dedham High I've met some of the greatest friends I could ever ask for. We've made so many memories. One of the biggest memories that will stick with me is random Tuesday with my boys. Playing golf was one of my best decisions I could have made. The hockey team are like my brothers. I got to experience going to Martha Vineyard and playing in the game. My quote I live by is "Live Life Love Earth" Thanks to my family and teachers who helped me to become the person I am today. I will never forget the great times I had during high school. Orange line for life. Peace from MSAS

Nobody said high school would be easy. Between keeping your grades up, fitting in community service hours, and getting to practice on time, it's one of the toughest things to go through at this age. But it's an experience that will help me become a better man.

Remembering Dewar

The Yearbook class of 2014 would like to thank Mr. Dewar for everything he has done and put up with this year. Thanks for a great year! We were definitely an interesting group to put up with, missing deadlines and waiting until Conrad Schmidt got here to package spreads. It was a stressful but fun year and we couldn't have asked for a better teacher. We'll miss you. Enjoy life away from Dedham High.

It's been a great run, starting off at camp over the summer and ending it all with the trophy. We are going to miss every single one of you guys, who we've all grown so close to. This year was so good Jiggy and Jimmy dancing in the locker room after our wins, Coach Flynn's jokes after practice that we all "laughed" at, Ivan's speakers blaring songs that McMillan, Kevin, PJ, and Joey D don't know before and

after the game, Gersaint asking "What day is it!?", Day Day sending kids night nights, and of course Big Mike turning up!!! Our team did a lot of great things and started something really good. We were able to get 3 straight wins, get our first shut out since 2004, and best of all beat Norwood...thanks Eric. Thanks for such a great season.

This season was by far the best season that we have had Dedham High. Finishing the season 4-11-1 wasn't the goal in August but it's a record we can all be proud of. Some of the high points on the field were sweeping Milton and Norwood, holding the #8 team in the state to a 0-0 tie, as well as winning our last game together under the lights on Senior Night. We played hard in every game this year and truly were a different team than in past years. A lot of our success was thanks to Coach Rugnetta and Coach Sal. Without them this season wouldn't have been as great as it was. Great times at Coach's Sunday morning breakfast, the 7:30 practices in sub degree weather and Clark's Fifa tournament. Shout out to the Goon Squad, Cousin 1&2, Ios and his broken nose, Pikey still getting more respect than Kameel and scoring key goals when they are needed, Feeney for being the most aggressive player in the Bay State and Coach Sal for making all the great nicknames he made over the year. Good luck to the boys next year.

Sophomores, you're probably the weirdest group of people and no one knows why you're laughing constantly but we love you anyways. Lisa's inspirational quote at halftime, Savi yelling "Stop doing that!" or "What are you doing?!" at least 20 times a game. Getting rid of "the game" being the best decision we've ever made since we didn't have any injuries, minus Sab. It's been an honor playing with you ladies. Congratulations on an amazing season! Every single one of you has done so well. Our wins against Weymouth and Mt. Alcyonia were awesome, the pasta parties were funny (and delicious) and we had a great time getting to know each other better. We both appreciate all of the memories you guys made for us this season. We're so proud of your accomplishments; we were fantastic at conference, sectionals, and states. We're really gonna miss you guys next year! We hope you know that you're our family and we wouldn't be the same without you. Please visit us at college!

Beating Needham was great but the best was beating Norwood. Couldn't have made it through the season without Chipotle and Panera...when the national anthem would play instead of the music... Weylin singing and dancing... and hiding the jump rope. This year was the best year! Thank you Bo, Willy, Weylin and Norrm! p.s. MK and Alison beat Norrm and Lyndsay don't forget!

We had such a fun season, and we couldn't have asked for a better group of girls to run with! We will miss pigging out at all the pasta parties and bonding on Fun Fridays. Our team was very unique this year. We were probably the only team in which every single one of its players got lost in a race at Houghton's Pond. We were also probably one of the only teams who consistently challenged other teams to rap battles, thanks to Annie. Everyone showed so much improvement as the season progressed; we even doubled our record from last year with wins against Brookline and Randolph! Hopefully next year you guys will get even more wins, and hopefully Sophie will finally shut up and MK will keep her food down. LOL. We will miss you girls so much and we love you!

This year has been interesting. From not knowing if we were going to have a band, to the small hard working band dedicated to succeed. The year was tough but we pulled through until the end, no matter if it's first or last place. We will love this band regardless. Good luck to all of you in the future!

This season was a memorable one. Our record in no way showed how hard we played and how many games we were in. This team was the closest team I have been apart of. All the joking around, pond hockey, and pasta dinners all made us closer as a team. What stuck out about this team was the fact that we never gave up. No matter what the score or the circumstances we just kept going and giving it our all. Would like to thank all of our parents for hosting pasta dinners, they were great. Goodluck to all the seniors that made this year great. Would not have been the same without you guys. Love all you boys it was a season I will never forget.

Hockey season has always been our favorite time of the year, and you girls made it unforgettable. We will always remember pink hair, sleepovers, dance parties in the locker room, shark in the water, Waka Waka, complaining, beanpot, t-ping, pasta parties, and beats. Thank you girls for making this season and the past 3 years the best times of our lives. It wouldn't have been the same without all of you.

With only three seniors, many teams wrote us off as being too young and inexperienced to compete this year. We worked hard all season and proved we could play well against with some of the top teams in our league. We're leaving a talented and determined group and we look forward to seeing the team succeed next year. Thanks to Coach Fraioli, Coach Sullivan, Coach Sheehan, Coach Podolski and "White-O" for a great season.

We loved playing basketball at DHS for the past four years. This year we struggled with injuries and numbers, but in the end, our team made us so proud. As seniors, we will never forget dumping old Christmas trees, traffic cones, and reflectors on Jack Powers' lawn. We won't forget ordering all Dippin' Chickens at team Friendly's pasta parties. We won't forget cheering and running out for a warm-up only to be sent back because the janitor had to sweep. We especially won't forget "the accursed ones", whenever Savi was introduced as "Sovi", yelling at Ali to keep both hands up every time she played defense or making fun of the sophomores for all the weird things they would do. But most of all, we will never forget how much fun we had together as a team! We will miss playing high school ball so much, and we love all of you!

Bri and Libby

To my Perfect Gift, Part Deux, Connor J. McGuire,

Remember that who you are matters and that who you are is in your control, potentially only in your control. The approach to life that you nurture and come to possess will make an enormous difference in both who and what you will draw into your life - both personally and professionally. Be honest and truthful. External achievements like grades, awards and scores will matter. Do your very best, but most of all, remember what Einstein said, "Try not to become a man of success, but rather try to become a man of value." To be a man of value, you must be a man of integrity with more than opinions, but with informed opinions. Remember all the wonderful vacations we shared; all the moments at home. Never forget the music we shared, and don't forget to dance alone, my love.

"Close your eyes; And I will sing a song for you; I will always be there; I will always love you; And while you're dreaming; I will row your boat ashore; I will always be there for you..."

Don't be scared to face your fears; Don't be scared to spread your wings;
Don't be scared to share your tears; 'Cause love is everything.

And when you're dancing; Don't forget to dance alone; I will always be there; If you remember all of this; You'll give me the perfect gift; You gave me the perfect gift!"The Perfect Gift
